*Little League International approved grandfathering players born 1 May 2005 to 31 August 2005 into the league age 12 year olds for 2018 only. This provides these players with the option to play either Little League or Junior League in club and tournament play. To be eligible for either their Little League or their Junior League tournament team (can only be eligible for one) any player must play 60% of the league play games in the age group they wish to be eligible for tournament play. Eg: player wants to be eligible for selection to their Region's Junior League team, then player must play 60% of the league play games scheduled for Junior League in their Region's qualifying competition.
